

## Experts

1. Ryan James

### LearnKey Expert in Digital Media

Ryan James absolutely loves his job teaching students about digital media, and it shows. He brings a wealth of knowledge from his time in industry, his own media company, and over 8 years in the classroom. To him nothing is as rewarding as seeing students engaged and motivated while learning a job worthy skill. He has won numerous awards and has taught at countless conferences and workshops. ## Video Production 101

Product Id (062389)

🕒 5h 21m 57s | 📁 Personal Productivity | 📺 2 module(s) | 📶 All

Video Production 101 is an introductory course in digital video production. This course will walk you through all of the steps to creating and filming a high quality, professional looking digital video. Ryan will teach you how to use Adobe's industry leading tools like Adobe Story and OnLocation to script and storyboard your projects. Then learn the camera tricks and techniques that the professionals use to create a professional digital video.

A Certificate of Completion can be earned by scoring 80% or better on all Post-Assessments. A Badge can be earned by scoring 90% or better on all Post-Assessments.
