🕒 3h 12m 19s | 📁 Office Productivity | 📁 7 module(s) | 📶 All

✔ Has resources

The QuickBooks Online (QBCU) course is designed for users of QuickBooks' cloud-based subscription service product seeking certification. The course focuses on setup and maintenance, list management, sales, purchases, basic accounting, reports, and customizing the software to best fit your needs. This course prepares you to take and pass the certification exam while giving you skills that will set you apart in your quest for employability for any Quickbooks online-related position. The course covers the material through looking at the typical accounting needs of a retail store.

A Certificate of Completion can be earned by scoring 80% or better on all Post-Assessments. A Badge can be earned by scoring 90% or better on all Post-Assessments.
