Bullying and Respect in the Workplace

Product Id (062879)

🕒 26m 2s | 📁 Personal Productivity | 📦 1 module(s) | 📶 All

In five dramatic stories taking place in settings that range from a hospital to City Hall, victims and witnesses will see how to speak up and challenge a coworker's mean-spirited behavior in a straightforward way that earns them respect. They'll also learn they do not have to face this problem alone. If they are not comfortable challenging a bully on their own—or if they do speak up and the behavior continues—they can reach out to supervisors, HR or other designated resources to help resolve the issues.

As for any bullies who may be watching: this video clearly shows that mistreating a fellow employee makes you look bad in the eyes of others and will not be tolerated in your workplace.
