Leadership at Every Level

Product Id (062939)

🕒 54m 23s | 📁 Personal Productivity | 📺 3 module(s) | 📶 All

This leadership training video begins by demonstrating four successful management styles: direction, influence, collaboration, and delegation. It then explains how your setting and your subordinates determine which management style is most appropriate for your situation -- and the need to adapt to changing circumstances.

Our dramatic scenes help you recognize leadership behaviors at all levels of an organization. You'll learn how to exhibit leadership by making good decisions and keeping your own emotions under control. And you'll learn the critical importance of personal integrity.

Leadership takes more than good management. And there's no better time than right now for you to take it to the next level.

A Certificate of Completion can be earned by scoring 80% or better on all Post-Assessments. A Badge can be earned by scoring 90% or better on all Post-Assessments.
