Experts

1. Brad Washburn

Junior Instructor

Brad Washburn has been designing and building websites since the mid-1990s, armed only with Notepad and Microsoft Paint. He was introduced to the Adobe software at Southern Utah University, where he studied web design and graduated with a degree in Information Systems with a Graphic Arts Emphasis. Brad has been employed with LearnKey since 2006, where he has worked as a graphic designer, instructional designer, and web designer, among others. Brad holds several Adobe certifications and is a regular contributor to various stock photography websites. [Show less]

Dreamweaver CC 2018/2019
