

Experts

1. Seth Magers

LearnKey Instructor

Seth Magers is an instructor, video editor/producer, and content creator for LearnKey. Seth has nearly 15 years of experience in the field of video production starting at Weber State University, where he received a Bachelor of Science in Communications with an Emphasis in Electronic Media. From there, Seth moved to the fast-paced career of local television news, where Seth was a full-time video editor for nearly a decade. While in the news field, he trained new hires to use various editing techniques and programs such as Final Cut Pro 7 and Avid NewsCutter (now Media Composer). He holds six Adobe certifications and several MTA and Microsoft Office certifications. Seth strives to improve as a video professional and hopes to help others grow as well. [Show less]

After Effects CC 2018/2019

Product Id (663449) ■ 11h 37m 55s | ➤ Adobe CC 2018 | ■ 5 module(s) | ■ All ✓ Has resources

After Effects joins the ACA slate of exams in 2018. LearnKey's After Effects CC 2018 course will guide you through the basics of working in the visual and motion graphics industry—creating and setting up a project; navigating, organizing, and customizing the application interface; organizing video projects; creating and manipulating visual elements; and exporting your project to various digital media formats. This course will not only prepare you for this exciting new certification, but it will give you an edge in employability as you seek to land your dream job.

A Certificate of Completion can be earned by scoring 80% or better on all Post-Assessments. A Badge can be earned by scoring 90% or better on all Post-Assessments.
